If you have trouble getting up and down your stairs, you are not alone.

Every year thousands of people look for a solution to help with difficulty navigating the stairs and find that a stair lift is the easiest, best, and most cost-effective option.

Lifeway has a wide selection of indoor and outdoor stair lifts that fit straight, curved, and narrow staircases. Outdoor stair lifts are designed to withstand even the harshest weather conditions.

Our stair lifts are battery-operated, easily installed, reliable, and safe.

- ✔ A stair lift can fit almost anywhere
- ✔ Fold (seat and footrest) when not in use
- ✔ Quiet and compact
- ✔ Options for doorways, narrow stairways
- ✔ Removable
- ✔ 300 and 400-pound weight capacities

Customizable options:

- ✔ Folding rails
- ✔ Power swivel seat
- ✔ Power folding footrest
- ✔ Larger seat options
- ✔ Upholstery choices

Affordable Options

- ✔ Financing
- ✔ Lease-to-own
- ✔ Rental
- ✔ Used
- ✔ Buy-back

The Lifeway Advantage

- ✔ Lifeway products are backed by a worry-free warranty
- ✔ Installation & delivery by factory-trained and certified technicians
- ✔ Free home assessment (we will evaluate the holistic accessibility needs)
- ✔ Service by Lifeway technicians after installations

Our warehouse allows us to keep a selection of lifts in stock for quick turn-around.

*It was nice to see the second floor again.
I'm very satisfied.
