"Bruno is an excellent, well-made product. We are pleased with our investment. The installation was easy and done professionally. American-made gives me confidence that it can take care of our needs for many years."

Ronald L.

AFFORDABLE. QUIET. RELIABLE.

- **Simple Operation** – Control on armrest activates stairlift. Two wireless remote controls also included.
- **Space Saving** – Narrow vertical rail installs close to wall to preserve maximum stairway space.
- **Sleek & Clean** – Vertical rail with hidden gear rack gives clean appearance and reduces exposure to dirt, grease.
- **Easy On/Off** – Seat swivels up to 90 degrees at top landing, extends and locks in place for safe exit away from steps.
- **Compact** – Arms, seat and footrest fold to save space.
- **Dependable** – Battery-powered ensures performance even in power outage. Stairlift continually charging along entire rail.
- **Safe** – Easy to use retractable seat belt. Obstruction safety sensors stop lift when bumps into object.

Padded, generous-size seat.

Compact design for open space on stairs.
