

Planned Maintenance Agreement

As the owner of this elevator, you are responsible to ensure that maintenance and upkeep occurs on a consistent and regular basis to ensure its safe operation and to minimize future repair costs

Extend the life of your elevator with annual maintenance visits

Let our trained and experienced technicians perform a complete review to find and repair any issues before they create a problem

Save money on all repairs with our Planned Maintenance Program!

- ✓ **Annual preventative maintenance visits**
- ✓ **15% off all parts when required for repairs**

Some conditions and exclusions may apply.
Ask your sales associate for details.

Protect your investment for years to come with a service plan from EHLS, A Lifeway Mobility Company

Service maintenance agreements not only save you money, but provide you with the peace of mind in knowing your lift will be taken care of by a team of trained and certified professionals!

- **Protect your investment**
- **Detect and correct small concerns before they become large problems**
- **Help your elevator run smoothly and safely**

**Our experienced
service staff is
ready to assist you!**

Maintenance Highlights

- ✓ **Test and operate all safety devices to ensure they will work if you ever need them**
- ✓ **Test operation of all hall stations and control panel functions**
- ✓ **Verify manual or automatic gate operation**
- ✓ **Inspect and adjust hoistway interlocks**
- ✓ **Adjust floor levels to proper heights**
- ✓ **Check batteries on battery backup system**
- ✓ **Inspect all hardware and re-secure if necessary**
- ✓ **Lubricate and adjust guides to minimize unwanted noises and abnormal wear**
- ✓ **Check hoist tension at all contact points to prevent abnormal wear and premature failure**
